

In two separate incidents, Skid Steers staged for snow removal were stolen from locations in Chicago. See details below, and please forward this alert to anyone that may encounter the equipment and investigators working on similar thefts.

For more information contact Chicago Police Officer Culhane 312-743-0227

### **December 13 to 20, 2018**

JCB Skid Steer stolen from a parking lot at 2551 W Cermak Road, Chicago, Illinois 60608  
Chicago Police report JB562337

### **Machine Details**

JCB model 300 Skid Steer Loader

Product Identification Number: **GE0300WVTH2584382**

Pictured is an example of a similar JCB 300, with PIN plate or decal on the upper right, rearward of cab and inset from the boom. At the time of theft, the stolen machine had an Arctic Snow Pusher blade in place of a bucket.

**December 25, 2018 to January 2, 2019**

Bobcat Skid Steer stolen from 2658 S  
Leavitt Street, Chicago, Illinois 60608  
Chicago Police report JC101830

### Machine Details

Bobcat 863 Skid Steer Loader

Product Identification Number: **514416783**

The image at right is the actual stolen machine. At the time of theft the machine was equipped with a 10 foot snow plow in place of the bucket that is pictured.

The image at left shows the machine PIN plate location above the engine compartment on a similar Bobcat 863. This also highlights the unique model decal on the stolen machine above compared with the factory markings at left.
