

Texas Caterpillar Loader

Overnight January 8th to 9th, 2019, thieves entered a fenced job site in the 3900 block of David Street (southbound side), Corpus Christi, Texas, and stole the below pictured CAT loader. Tracks indicate the machine was driven into the adjoining neighborhood and loaded on a transport.

Please forward this alert to anyone that may encounter the equipment, and investigators working on similar thefts.

Corpus Christi Police case: 1901100021

Machine Details

2013 Caterpillar 289-C-2 Compact Tracked Loader

Product Identification Number:

CAT0289CHRTD01770

Owner Applied Number: **RTD01170**

Pictured at right is the actual stolen machine, when it was purchased in 2015. The machine PIN plate is above the left track, rearward of the cab and inset from the loader boom and hydraulic cylinder.

Note that the ending 8 characters of the PIN, RTD01770, are stenciled in black on the upper portion of each boom (above the yellow Holt CAT decal in the image).

Closeup of the PIN location on a similar CAT Compact Tracked Loader (this is not the stolen machine).
